

## Trader Camping & Prices

An issue that sometimes causes confusion for traders at Ulysses Club AGM Events, is that of camping at or near their trader site. The following information is provided to help alleviate any confusion at the 2013 Fraser Coast Event.

For simplicity, the information is presented as questions and answers.

**1. I am a trader who has reserved one or more outdoor trader sites. Can I sleep at my site?**

Yes – Provided you are sleeping within your reserved site and only using a stretcher, swag or sleeping bag.

**2. Can I pitch a tent at my trader site to sleep in?**

No – There are plenty of camping sites available in the camping area for this purpose.

**3. Can I park my RV or Caravan at or behind my trader site?**

No – The site layout has been carefully planned to allow for easy access by both members and traders, and includes plenty of room for camping and vehicle parking. Due to health regulations, it is mandatory that grey water from RVs & Caravans be expelled in the grey water traps only. There are no grey water traps within the outdoor trader site area, but there are plenty in the RV/Caravan camping area. Therefore, all RVs and Caravans must be parked in the designated Camping Area.

**4. My truck forms part of my display, and it houses my workshop at events. It also contains a sleeper cab. Can I sleep in that?**

Yes – Provided the following points are agreed by you to ensure compliance with local regulations.

1. You must notify us of your intention to sleep in your truck on the form titled *Part 1 – Exhibitor/Trader Details*
2. Due to health regulations, you **MUST NOT** use a grey water outlet from your vehicle at any time while parked in the Traders Area

**5. I am a trader who has reserved one or more indoor sites. Can I sleep at my site?**

No - The Indoor Trader Pavilion will be locked every afternoon at 5:00pm. Other than restocking during the allotted times, no entry will be permitted to the Indoor Trader Pavilion outside of trading hours (9:00am – 5:00pm daily).

**6. I am concerned about security. What measures will be in place at the 2013 AGM Event?**

The entire site (including the Outdoor Traders Area) is surrounded by a 2.1 metre high permanent perimeter fence, topped with strands of barbed wire. A professional security company will conduct regular internal & external patrols and will staff entry gates during darkness hours. Outdoor traders can also help secure their stock by parking and locking their vehicles in the exclusive Traders' Parking Area which is behind the Piazza, and within the perimeter fence.

**7. Will Ulysses members still have access to the Outdoor Traders Area after normal trading hours?  
(9:00am – 5:00pm)**

Yes they will – No internal security fences will be in place, other than surrounding the Motorcycle Manufacturers area (See map below). This is necessary to allow members easy access to the Piazza, and for traders to continue trading when the “Piazza” is operating.

**8. What is the “Piazza”?**

The Piazza is adjacent to the outdoor traders and motorcycle manufacturers’ area. It is a covered arena, 70 X 40 metres which will be the hub of activities throughout the week. It has tables and seating for 1200 people with a stage, a bar and food vendors. A variety of entertainment will be on both stage and big screens each day, with lucky draws, live bands and fashion parades scheduled during the evenings.

**9. How far is it from the Camping Area to the Traders Area?**

Approximately 150 metres.

**10. How do I reserve a Camping Site or RV/Caravan Site?**

Complete a *Traders Camping/RV Site Booking Form* and submit with your payment addressed to the 2013 AGM Event Traders Coordinator.

**11. How much does a Traders’ Camping Site cost?**

The following discounted rates are offered to registered traders wishing to camp on site:

Camping Site	\$50 Traders Rate
RV/Caravan Site	\$100 Traders Rate

**12. When can I set-up camp?**

Unless other arrangements have been made with the Traders Coordinator, Traders are encouraged to arrive at the site and set-up from Friday 12<sup>th</sup> – Sunday 14<sup>th</sup> April.
